

Akron, OH

Corporate Sponsorships

The NAWIC Akron Chapter has been serving the Greater Akron area since 1966. We are a 501(c)(6) not-for-profit organization of women employed in the construction industry. We provide a professional social network to support and educate women looking to advance their career in construction, build their technical skills, and become leaders in their company and community.

Our chapter provides undergraduate and trades scholarships to students and apprentices in the Northeast Ohio region and monetary awards to High School students through a CAD/Hand Drafting Design Competition. Your donation directly impacts the value of our scholarships and awards.

If you have any questions, please reach out to President, Amber Duco, or Treasurer, Jina Clay.
